Scribner-Snyder Baseball & Softball

...a strong heritage...and a promising future.

Scribner-Snyder Youth Sports Complex Project

A project facilitated by the NCIP committee working with the Scribner Area Foundation and the City of Scribner.

**Scribner-Snyder
Youth Sports
Complex Project**

The citizens of Scribner are interested in making improvements to the Softball Complex. A Town Hall Meeting was held in September of 2006. Citizens prioritized issues for community improvements and voted on strengths and opportunities. One of the top three priorities was to focus on things that would draw young families with children to the Scribner area. Ball field projects were one of the projects identified. As follow up to the Town Hall meeting, a strategic planning meeting was held following the Scribner Area Chamber of Commerce, February, 2007 meeting. Nancy Schwarz, NPPD Economic Development Consultant facilitated the meeting. Once again, Scribner citizens were asked to prioritize community projects that would draw young families with children to the community. The Softball field restroom and concession stand/recreation project, physical facilities of the high school and residential property upkeep were determined priorities. The communities' priorities are well aligned with the Ak-Sar-Ben Friends Community Grant Mission "To build a more prosperous Heartland where communities can flourish and every child can succeed."

The Scribner Improvement and Industrial Corporation members are working aggressively to identify and respond to community needs. The Board hired an economic development coordinator in January of 2006. The economic development coordinator along with the Industrial Board has been working to build capacity, energize citizens and preserve the unique character and quality of life in our hometown. The Economic Development Coordinator (EDC) has organized task forces to respond to community issues. A Nebraska Community Improvement Process Committee was recently formed. The committee reviewed Scribner citizens' priorities

NCIP—Project I Create a Youth Sports Complex / Recreation Area

- 1) New concession stand/restroom facility
- 2) RV camping area
- 3) Ball field expansions
- 4) Walking/Biking path
- 5) Portable fencing for baseball field

What is the cost of this project?

\$300,000

How will this project be funded?

The applications of grants by the economic development coordinator working with the NCIP committee are an on-going process. Corporate and business donations are being sought, naming rights for the complex, building, fields and scoreboards have been granted, dugout and playground naming rights are still available.. Individual donations are also encouraged. Plaques will be displayed at the complex showing the donor names and designations.

Playground Naming Right -\$10,000

Dugout Naming Right -\$6,000

“Grand Slam” Donors - \$5000

“Home Run” Donors - \$4000

“Triple” Donors - \$3000
